

Town of Upton
Special Town Council Meeting
August 23, 2016

THE SPECIAL MEETING of the Town Council of Upton, Wyoming was held at 7:00 p.m. on Tuesday, August 23, 2016 at the Upton Community Center located at 917 N HWY 116 in Upton, Wyoming.

Present: Vice Mayor Travis Beck, Councilmen Mark Mitchell and Nathan Todd, Mark Lindstrom, Justin Mills, John Marshall, Ray Norris, Kelley Millar, and Rona Barker.

Absent: Mayor Dustin Upton and Councilman David Watt.

Vice Mayor Beck called the meeting to order by leading the group in the Pledge of Allegiance.

The first interview was held with Dale Buckingham Architects, LLC. A presentation was given by Dale Buckingham, Karen Kelly, and Adam Spindler. This included past jobs along with ideas for the upcoming park enhancement project.

The second interview was held with Sandy Baird. Mr. Baird who had prepared the Feasibility Study for the Town of Upton explained that he worked alone. He clarified to the group how the project would proceed, should he be awarded the project.

In both interviews, Superintendent Lindstrom informed the prospective architect firms that there is a sewer line replacement that must be addressed at the proposed building site.

Following the interviews, UED Board members and the Council held discussion in regard to hiring one of the two firms interviewed. Vice Mayor Beck wanted the group to know that regardless of upcoming events, he did not want the integrity of the building to be compromised in any way.

Vice Mayor Beck did not call for a vote to make a decision at that time. He wanted to contact the absent members of the governing body to get their consensus, and also asked Mr. Mills to speak with his Board and deliver the UED Board's recommendation to the Council. The decision is planned to be made at the September 13, 2016 council meeting.

There being no further business, a motion was made to adjourn by Councilman Todd, and seconded by Councilman Mitchell. All voted in favor and the motion passed. The meeting adjourned at 8:30 p.m.
