

Proclamation

To designate April 22, 2026 as Earth Day

WHEREAS, Earth Day, first celebrated in 1970, is recognized annually on April 22 as a time to raise awareness of environmental issues and to inspire individuals, communities, and governments to take meaningful action to protect our natural resources; and

WHEREAS, the Town of Upton recognizes that clean air, safe drinking water, and healthy ecosystems are essential to the well-being, prosperity, and quality of life of our residents; and

WHEREAS, responsible stewardship of land, water, and natural resources supports not only environmental health, but also economic vitality, agriculture, tourism, and community sustainability throughout Wyoming; and

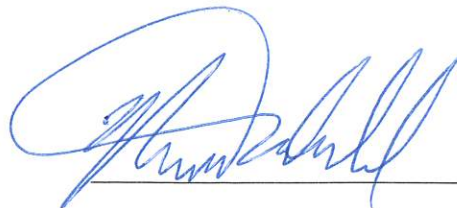

WHEREAS, individuals, businesses, and public agencies all play a critical role in conserving energy, reducing waste, protecting wildlife habitats, and promoting sustainable practices for current and future generations; and

WHEREAS, Earth Day provides an opportunity to reflect on our shared responsibility to be good stewards of the environment and to encourage local efforts that improve and protect our community;

NOW, THEREFORE, I, Nicholas Trandahl, Mayor of the Town of Upton, Wyoming, do hereby proclaim April 22, 2026, as **Earth Day 2026**.

in Upton, Wyoming, and encourage all residents to participate in activities that promote environmental stewardship and sustainability in our community.

Dated this 14th day of April 2026.

Nicholas Trandahl, Mayor

Attest: Kelley Millar
Kelley Millar, Clerk/Treasurer
